ULTIMATE CYCLING: An Indoor Group cycling class. Come & get the ride of your life BOOTCAMP: A mix of cardio (Cardio machines in the gym, outside in warm weather) & muscle conditioning & cardio drills that changes weekly. All levels welcome!!

YOGA: Designed to teach basic yoga postures, increase flexibility, strength and skill level while focusing on breathing, relaxation and strength. ULTIMATE CYCLE AND ABS: 45 minutes of cycling with added abdominal work for the last 15 minutes!! BODYSCULPT: full body w/o designed to strengthen and tone the upper & lower body.

ULTIMATE CONDITIONING: A 1 ½ hour class combining 45 minutes Cycle, 30 min upper body and 15 min of abs. PILATES: Mat class designed to strengthen and lengthen back, abdominals, hips, gluts, thighs, upper body, pelvic girdle, and spine. Will build strength, increase flexibility and agility, & enhance posture.

CORE STRENGTH VINYASA YOGA: use the "core" most efficiently to gain the maximum yoga benefits (calorie burn, strength, flexibility, focus, self-awareness, confidence...) in the least amount of time. ZUMBA: One exciting hour of calorie-burning, body-energizing, movements meant to engage and captivate for life! Latin inspired dance class! No dance experience needed! Come in to sweat & have fun! KERBOOMKA: Hip-hop inspired dance cardio class! You will sweat, burn calories, twist and work your abs! So much fun you have to try!
